

Quality Policy Statement

Trinity Harper Cleaning Ltd are suppliers of commercial cleaning activities and other associated services to a wide variety of organizations and businesses.

Our objective is to continually improve our services, procedures and processes, and deliver everything we do in a timely and professional manner, whilst always providing value for money.

This is achieved by evaluating how we are perceived by our customers, seeking improvements and making implementations where necessary.

Our staff will also be involved by being encouraged to be 'the best they can, wherever they are, with whatever they have'.
